Session I is open to girls age 8-15 from beginner level on up, and no audition is required. There will be a brief one-on-one visit with the director at the start of the session to determine voice part and general level. This year, we strongly urge all girls not currently enrolled in Austin Girls' Choir to attend Session I. Instruction includes vocal skills, note reading, basic harmony and fun songs with simple choreography. Repertoire ranges from pop, jazz and swing to light classical. Guest artists will do one-hour sessions on various types of singing styles. Other camp activities will include stage presentation, arts & crafts and a how-to session with a magician! **45 places are available and will be filled as registration forms and payments are received.**

Session II's focus is preparation of the AGC tour choir for its June 24-July 2 concert tour, so the pace is rapid and expectations of each chorister are quite high. There will be some run-out performances during the week, as well as a closing concert on June 22 at 5:30 p.m. Due to space limitations, **we can only accept 15 girls not currently enrolled in AGC.** Girls who wish to attend Session II must audition by June 15; they should be able to read music and sight-sing well, produce a good head tone, and have some experience with singing in harmony. *Please note that only AGC choristers who have paid for tour will participate in the concert tour.* (For further information, please call (512) 453-0884.)

Music used during camp sessions is the property of Austin Girls' Choir. Should damage (beyond normal wear) or loss occur, the camper will be charged \$5.00 plus the replacement price of each lost or damaged item of music.

Choristers and their parents must sign a statement that they have read and will abide by camp guidelines. A copy of the guidelines will be sent with an acknowledgement of receipt of camp fee.

Potential **Session II** participants will also be contacted regarding scheduling of a **pre-camp placement audition**. The audition fee is **\$15.00**, due before the audition can be scheduled.

End-of-session performances will be presented for friends and family on Friday, June 15 at 5:00 p.m. and on Friday, June 22 at 5:30 p.m. Please **plan for your camper to participate in her session's performance**, and encourage friends and family to attend.

CAMP CHORISTERS' GUIDELINES

- 1) Be in the rehearsal room, in your place and ready to start at the scheduled time. Use the restroom and get a drink of water before rehearsal starts.
- 2) No chewing gum, drinks (except bottled water) or snacks in rehearsal.
- 3) Leave toys, muted phones, purses, books, etc. in a place designated by the director.
- 4) If you have a question, stay in your place, raise your hand and wait to be called on. Wait until a song or exercise is finished to raise your hand.
- 5) Talking during rehearsal is not acceptable unless it has to do with the music we're working on and is very quiet. Listen while Ms. Sara is talking.
- 6) If you absolutely must use the restroom or get a drink during practice, ask the proctor first. Go when your section is not working on music, so that you don't miss anything. Drinks and restroom visits happen at breaks.
- 7) If you need to keep track of time, wear a watch and look at it discreetly.
- 8) Always use your music unless you are told otherwise.
- 9) Use a pencil (no pens) to mark changes in your music. Don't draw on the music.
- 10) It is your responsibility to take care of your music and to know your folder number. Don't borrow music from others' folders without asking; return borrowed music before going home.
- 11) Remember to use good performance posture at all times and hold your music up where you can see it without dropping your head.
- 12) Stand unless you are told you may be seated. When your section is called upon and you have been sitting, stand up right away.
- 13) Treat every singer with respect. Pushing, shoving, kicking or hitting are unacceptable. Don't laugh at others' mistakes, or say hurtful things to or about other singers. We are a team, and teammates help and encourage each other. Make a point of making a new friend in each break period.
- 14) Disruptive or overly silly behavior is OK before 8:45 a.m. and after 5:30 p.m.!
- 15) If you don't like the music we are working on, don't complain about it. Instead, try to do a good job and help others learn the song, and we can move on to another song much more quickly.
- 16) Behave with respect and courtesy toward all adults.
- 17) Wash hands before eating (snacks or lunch).
- 18) Wait in the practice room for your driver to meet you at the end of each day.
- 19) Following directions the first time, approaching challenges with a smile, and using "please" and "thank you" are great ways to be a team member!
- 20) Take care of yourself – avoid screaming and yelling, eat breakfast before camp, and get a good night's sleep!.
